

The Liberty Bell

A photo from the AM 4's at the farm on the tractor.

A VERY UNIQUE OPPORTUNITY

We have invited a professional in the field of early childhood education to come share her insights, some strategies and resources with us. Sue Bobson is a social worker (MSW, LISW-S) who I have known for many years. She has conducted trainings for our teachers in the past. My hope in bringing her to LEEC to conduct an open forum is to provide you with some information that may help you navigate the world of raising children and gain a deeper understanding of child development. I feel strongly about building a community for the shared goal of nurturing happy, healthy kids. Sue will be here on two days: October 17th and 18th. We will begin after morning drop-off at 9:30 and will go until about 10:30. Don't miss this unique opportunity to connect with Sue.

Tracy
Preschool Director

A Little Bit About MRS. DODSON

Mrs. Dodson lives with her husband and two children. Both of her children attended preschool here at LEEC and she served on our LEEC Committee. This is her first year teaching at LEEC and she works with Mrs. Wagner in the WF 3's. Jenny has many years of teaching experience and has taught at OLSD and Groveport Madison Schools.

Favorite Snack:
chips or crackers

Favorite Color:
purple

Favorite Animal:
river otters

If you could travel anywhere in the world, where would you go?

Hawaii

What's your favorite pastime?
reading, shopping, drinking coffee, going out to eat and golfing.

LEHNER'S FARM

Thank you all for making time to join your child and us at the pumpkin patch. We love this event since it offers teachers and parents a chance to connect. What's more, it's a great opportunity to show your kids that we are a team and are invested in their lives. Parents get to see their students interact with their new friends in the classroom and it's just a fun time for the kids. Many parents took time from work to attend and we appreciate that sacrifice on behalf of your student.

PICTURE DAY

On October 10th & 11th we will have a professional photographer here to take class photos. If you like, she will also take individual photos of your students. Both the group and individuals will be available for purchase. You should have received a small envelope with the order form by now. See your teachers for questions.

PARENT/TEACHER CONFERENCES

In November we will meet with parents to discuss students progress thus far. At this time, you will have an opportunity to talk with teachers about your child's development, behavior in class and academic progress. We will not have classes on these days so that teachers may be available to meet with parents. Between now and then, teachers will work one on one with your child to make some informal assessments.

CHANGES IN TEMPERATURE

As we embark upon the fall temps please be certain to switch out the clothing you may have stored in your child's LEEC tote bag in the event he/she has an accident.

We will continue to go outdoors to play unless and until the temps reach 30 degrees. With that in mind please be certain to send in jackets on those chilly mornings. We can always leave them indoors if it warms up but at least they will have them should they need them.

One of our afternoon kiddos at the pumpkin patch.

WHAT'S COMING UP?

10/10 & 10/11 Picture Days
